

MAKE SUBURBAN DAY PERMANENT

Knowledge Gained First Trial Convinces Merchants of Success

TO BE HELD MONTHLY

Next Bargain Day Set for Oct. 6, When Tulsa Will Be Mecca of Buyers

Suburban day has already become a permanent institution in Tulsa. With the knowledge and experience gained by local merchants on the first Suburban day a month ago, they face the second Suburban day—Thursday, October 6—with increased confidence in its benefits to both themselves and their customers, and with a firm intention of offering such tremendous bargains that purchasers will be forced to acknowledge the superiority of Tulsa as a trading point.

In other cities where Suburban day is a monthly event it required considerable time to persuade buyers that exceptional bargains were awaiting them and to win their confidence in the merchandise and prices. Here, by the experience of these other cities, Tulsa merchants have gained this confidence right at the beginning and they intend to hold it.

First Day Big Success. Purchasers who visited Tulsa on the first Suburban day expressed surprise at the bargains they found here. Many of them who came from a distance had heard of the bargains to the effect that prices in the larger cities are too high, and not a few of them believed, those rumors until they were convinced of their error.

Local merchants expect not only those who came here the first Suburban day to return next Thursday, but they also expect them to bring their relatives and friends along so they will also learn of the exceptional values that are to be found in Tulsa business establishments.

KLAN INVITES PROBE

Government Investigation Is Warranted, G. A. H. Goes on Record Against Revival of K. K. K. ATLANTA, Ga., Sept. 28.—The Knights of the Ku-Klux Klan formally asked President Harding and Attorney General Daugherty today to start an investigation in the affairs of the Klan.

INDIANAPOLIS, Ind., Sept. 28.—The Grand Army of the Republic, in national encampment here, today went on record as condemning the revival of the Ku-Klux Klan.

Adoption of a resolution calling the Klan at this year's session of the veterans, follows the "battle cry" of Commander William Ketcham, who urged his comrades of the civil war to combat "scourging foes of organized government."

Cool, clear weather prevailed for the annual parade this afternoon of the survivors of the war of the rebellion and 7,000 old soldiers were expected to march to the inspiring strains of numerous bands.

Tulsa County May Get \$108,000 Tax Refund

That Tulsa county will get a refund of \$108,000 if the decision Thursday of Chief Justice John R. Harbo, invalidating the mill and a half levy, stands, was the assertion yesterday of Frank Balin, county assessor. Balin explained that the valuation of the county in 1920, the year affected by the mill and a half levy, was \$108,000. A mill on this, he said, would mean \$108,000. The county assessor explained that a half mill levy is required and that the refund would come only on a mill basis. Balin said that the money was already in the state treasury.

ANNUAL POLICE BALL

Department Hopes Sufficient Money Will Be Realized Oct. 6 to Pay for Department Uniforms.

Going to the third annual police ball?

"You don't dance? Then if you are so disposed, you might buy a pair of tickets and give them to your friends that do delight in tripping to the music of a harmonious orchestra."

Every Tulsa is to have an opportunity to purchase tickets to the policemen's ball which is to be given at Convention hall, Thursday night, October 6. Every member of the force is to be supplied with his share of tickets, and he will immediately begin selling them.

"If an officer overlooks anyone it will be unintentional," Arthur Chief George H. Nickels said yesterday, "and he will appreciate it if the ones he overlooked will ask him for tickets."

Since the present administration took the oath of office, every officer except the plainclothes officers has worn a new uniform, made in the measure of best quality material. These uniforms have been made possible through the annual policemen's ball, as the receipts from these entertainments go into a uniform fund to be spent only for clothing. Until the month of June, 1920, Tulsa's police force was characterized by the complete absence of uniforms.

Police Commissioner J. M. Adkinson said yesterday he hopes enough will be realized from the third annual ball to provide winter uniforms for all members of the force who are in the uniformed departments.

THIRD DEGREE KILLED BOY

Believe Punishment at Hands of Military Teacher Killed Student.

LATESVILLE, Texas, Sept. 28.—A charge of murder has been placed against H. G. Twyman, in connection with the death of Dell Thomas, a 14-year-old boy.

Twyman is military instructor at the state juvenile training school, Thomas was a student.

One day last week young Thomas refused to drill, and it is alleged Twyman whipped him and upon his continued refusal to drill, the "third degree" is said to have been applied. Shortly thereafter the boy died.

The attending physicians announced that Thomas had apparently died as the result of choking and that there were finger marks on his throat.

Twyman was arrested and placed in jail.

New Operatic Songbird Makes Big Hit in Gotham

NEW YORK, Sept. 28.—Operatic New York was abuzz today with plaudits for Miss Josephine Lucchese, who last night at the Manhattan opera house brought her hearers to their feet with a voice of newly discovered richness and range. As Glilda in "Rigoletto," she carried her "captivity" audience by storm. Miss Lucchese's home is in San Antonio, where she was educated in a convent.

WANDERER'S ROPE BEING PREPARED

Gallows Under Construction as Last Appeal Is Made to Small

CHICAGO, Sept. 28.—Construction of the gallows on which Carl Wanderer, slayer of his wife, her unborn child and a ragged derelict he hired to stage a bogus holdup, will be hanged at 7:30 o'clock Friday morning was under way in the jail yard today.

M. H. Bartholomew, attorney for Wanderer, hurried to Springfield today to attempt to obtain from Governor Small, a commutation of sentence or a stay of execution. The governor will act on the recommendation of the board of pardons, which declined to interfere yesterday, but agreed to hear Bartholomew's plea today.

Wanderer has twice faced the gallows, only to be saved by an eleven-hour reprieve.

Wanderer seemed unconcerned over his fate as he sat in the death cell today. He declined to talk with newspaper men or his lawyers and spent his time reading the Bible and "Evangeline," his favorite books.

Tanlac Accomplishes Remarkable Results In Geo. H. Nickels Case

Prominent Wisconsin Man Says Tanlac Promptly Relieved Him of Bad Case of Stomach Trouble of Six Months' Standing—Gains 27 Pounds and Feels Fine As a Fiddle.

GEORGE H. NICKELS

It is an unquestionable fact that Tanlac is now being more widely endorsed by well known men and women than any other medicine on the American market. One of the latest to testify is George H. Nickels, well known lecturer, residing at 227 Wells St., Milwaukee, Wisconsin.

"Tanlac has not only completely restored my health, but I have actually gained 27 pounds in weight," said Mr. Nickels in referring to the remarkable benefits he had derived from the medicine.

"For something over six months my stomach was very badly disordered. I suffered terribly from indigestion and dyspepsia. At times I would be in great distress and I would invariably experience an uncomfortable bloated feeling for hours after eating. I had no appetite scarcely and the little I ate would often make me deathly sick. My head ached until I felt like it would burst and I was so nervous I trembled like a leaf. When I got up in the morning, I was so weak and dizzy, I couldn't trust myself to walk around and I just hurt all over."

"Tanlac has brought about a wonderful change in my condition for I am now enjoying the very best of health. My appetite is splendid. I relish my meals. Everything agrees with me perfectly. The nervous headaches and dizzy spells are all gone and I never have an ache or pain. I am only too glad to tell others about the wonderful good Tanlac has done. It has no equal."

3 BLASTS FAIL TO OPEN VAULT

One of Bandits Attempting Arlington Coup Badly Wounded

HUTCHINSON, Kan., Sept. 28.—Three heavy explosions of nitro aroused the whole town of Arlington early today, as five yegmen tried to blow open the vault of the Farmers State bank. The first two charges opened the outer door, but the inner door withstood the shock of the third charge. The robbers were forced to flee with several thousands of dollars' worth of bonds and silver from safety deposit boxes in a gun battle outside of the bank. One of the robbers was dropped, but his companions carried him into a waiting automobile and escaped.

The failure of the third charge to blow open the inner door of the vault saved the bank from heavy loss, as thousands of dollars in bills and specie were in the safe.

Marshal S. L. Edwards was one of the first to be aroused by the heavy reports and as he reached the scene the robbers were making for their automobile, standing a short distance down the street from the bank. Edwards opened fire and the robbers responded with a fusillade of shots.

The man seen to drop is believed to have been badly wounded, as a trail of blood was found from the spot where he was struck to the automobile.

Pursuit of the robbers was immediately begun.

An English scientist has made here by more ages by giving them mild electric shocks.
